

PINT COZY

Designed by Julie Weisenberger

Cocoknits is shocked, people, shocked to learn that there are households in America which do not contain a single pint cozy! How do you keep your fingers warm and your ice cream cold while eating directly out of the pint? Once you try one, you'll know this is the ultimate practical gift... forget the spa, roses, diamonds... hand someone a cozy, a spoon and pint of the good stuff. Need I say more?

Size

To fit a Ben and Jerry's pint, other pints may vary slightly: 10" bottom circumference, 11.25" top circumference and 2¾–3" tall.

Skills

None. (Okay, knowing how to knit will come in handy)

Materials

Yarn

What could be better for this project than [Pick Up Sticks "small balls"](#)? Two 65 yd balls will yield two cozies! If your LYS does not carry small balls, you can order online.

Colors

- Neapolitan Dynamite: chocolate, cream and hot pink
- Cherry Garcia: cream and red
- Americone Dream: chocolate and moss

Pints

2 or more Ben and Jerry's pint-sized Ice Creams, 1 to shape the cozies, 1 to eat; see note. Note: the pints need to be full, an empty pint container will collapse under the pressure of a damp cozy.

Needles

#10 –11 US circular needle 16" OR 36"
using magic loop method.

Once felted, turn your pint upside down and force the cozy over the pint. Once shaped you can pull it back off and allow to dry...or flip rightside up, open pint and dig in!

Enjoy!
